Bethel Christian Academy's

Principal's Perspective

Happy Summer Break BCA Family! It has been an amazing school year! We are so blessed to have spent this year with your children and watching them learn and grow together.

Thank you so much for all of your love and support this year. As you know, Mr. Burnett will be transitioning into the role of BCA Superintendent. He will be handling the major funding and governance of the school. I will be shifting into the principal position and handle the day to day functions. We are super excited to be able to serve all of you in these new ways.

Before this transition officially begins, the Bethel Christian Church Board has given us a sabbatical. We will be spending the next couple of weeks resting, spending time with our family, and taking some moments to pray and seek God for the upcoming school year. During that time, we will not have access to email. We will officially return to the office on June 13 and will begin responding to emails and messages at that time.

Again, we thank you so much for your love and support. We love our BCA family so dearly!

Enjoy your summer with family. Don't forget about #bcasummerchallenge23! Visit the Parent Connect page for more details, and don't forget to join the BCA group in reading the New Testament, Matthew to Revelation in 40 days together in the YouVersion Bible App beginning June 5! Thanks and God Bless!
