

Bethel Christian Academy Field Trip Guide

2024

Attention Parents: Please have your child(ren) here by 8:30am on Field Trip days. We do not allow the campers to bring money to buy anything on field trips, with the exception of swim days and Pioneer Waterland. We still provide a snack on that day in the afternoon, but we will allow campers to buy food at the park. **On swim days we ask that girls wear modest bathing suits-either one piece or a 2 piece suit that covers the stomach.** Please also note our returning times as we will be adhering to those times as much as possible. If you have questions or concerns contact Angie Kazimir at 440-567-2090 or Doug Hoover at 330-417-7560.
