

BCA

Bethel Christian Academy's Principal's Perspective

Earlier this week, after spending time praying over lockers and hooks and classrooms, I felt God prompting me to pray specifically for my BCA family. I decided to stay up late working on a Google Form to send to our families. Within a couple of hours, I had my first responses, and I have been praying over those responses every day since. We are up to 9 so far, and I am sure more will come in. There are some regular, every day needs, and there are some giant needs. But, whatever classification you put on it, there are people who need God to move in their lives! I can't explain exactly why, but I was nervous about sending it even though I clearly felt I should. Thoughts like "What if no one responds?" or "What if people think I'm just being nosy?" went through my head. There are also so many excuses or doubts when doing something new that God calls you to do, but if he asks you to do it, he will bless it. Now, 9 out of hundreds of email invites to respond is not a significant amount, but I believe that God is going to do significant things through the simple obedience. My life has already been impacted by the transparency of those who have responded, and I have and will continue to pray for those needs specifically every day in addition to regularly lifting up our BCA family! Most gave permission for me to share needs with my staff, so soon they will have a whole team praying for their needs. Now whether you did or didn't or will or won't doesn't matter, but today I wanted to share and say thank you, because my life is better because you are in it. I know God has a plan for your son/daughter and for you, and I can't wait to see how God shows up as we continue in this journey together.

Thanks and God Bless!
Mr. Burnett, BCA Principal

Stockings for Chrissy's Cupboard

Thanks to your generosity, we were able to donate 50 overflowing stockings full of goodies for local children in need this Christmas! We had 114 pairs of girls socks come in and lots of extras that we were able to donate as well, all thanks to our families being committed to serve and show God's love to others!
