Bethel Christian Academy's Principal's Perspective

As we wrap up another year, I want to thank everyone who contributed to the success of this school year in any way! We are thankful for everyone who chose to trust BCA to educate your child, everyone who attended a chapel or chaperoned a trip or volunteered at a party. If you gave money or food or time or encouragement or prayer this year, I want to say thank you! Our BCA family is great because of our fantastic staff, but also because we have the best students and families around! We couldn't do what we do without your support, so thanks again!

Friday, I had the opportunity to speak in both chapels and try to drive home messages that God has been speaking to our students all year through chapels, devos, and encouragement in other ways. Elementary heard again that "God Made You Special" and Middle School was encouraged to find "The Right Path" as they listen for God's voice and follow him! I want our students to know that God made them exactly the way he wanted them to be and has a specific purpose for them. Not only them, but you, too! I pray you have an incredible summer and see God clearly moving in your life!

Thanks and God Bless! Mr. Burnett, BCA Principal
