

BCA

Bethel Christian Academy's Principal's Perspective

There has been so much excitement around BCA these last couple of weeks! I absolutely love your child(ren)! We really have a great group of students this year! It seems like everyone is fitting in and really becoming a part of the culture and family that we have worked to create over the years. Much of that has to do with you as parents (and grandparents and others that are caring for these kids)! So, thank you for job you are doing, and thank you for choosing to enroll (or reenroll) your child at BCA for the 2022-23 school year. They are truly a blessing to me!

While I am being thankful, I want to say how much of a blessing my teachers and staff are. We welcomed 3 new teachers this year as well as shuffling several others around, and it has been as smooth a start to the year as I've had in the 9 years I have been principal. We have a wonderful staff, and I know that they all love what they do and love your children as well! Please know that we as a staff are praying for your children and your family, sometimes as an entire staff, but very often individually. We want God to bless you and your family in all that you do!

Last year, God put it on my heart to offer to pray specifically for families that are comfortable sharing how I (or we) can partner with them in prayer. Now, we are going to keep praying for you regardless, but if you have a specific need in your family that you would like us to partner with you in prayer, [you can share it with me here](#). You can share little prayers or big prayers. You can include your name or submit it anonymously. But, I would love to hear from you about how we can be Prayer Partners with you. May God bless you and your family!

Thanks and God Bless!
