Bethel Christian Academy's Principal's Perspective

We had a great chapel today with our guest speaker, Diane, who is one of the Stitching Sisters from First Baptist of Elyria. They have an incredible ministry to bless those who struggle with anxiety, Alzheimer's, Autism, or other things that may cause them to fidget when stressed, bored, or for some other reason. Diane shared that they have even shipped fidget quilts to children in a refugee camp in Ukraine! If you missed it, you can watch today's chapel by visiting our YouTube page or by clicking on link in the other column. After hearing her heart this morning, I am even more excited to be partnering with her and this ministry. Please be sure to visit the [BCAServes](#) page of our website to see what items are needed. We are collecting items through Thursday, April 6. Please contact Mrs. Burnett (nburnett@bcakids.org) if you have any questions.

To conclude chapel today, Mrs. Burnett shared about loving our neighbors and who that is, from people near us and next door to around the world! The Bible tells us that we should be "a neighbor" to everyone, just like "The Good Samaritan" was in Luke 10. Remember, your kids learn how to love by watching you! Are you kind, forgiving & generous? Do you show God's love and grace to those you meet?

Thanks and God Bless!
