Bethel Christian Academy's Principal's Perspective

I hope that you have a blessed summer. We are already working hard to prepare for another great year beginning August 23. I am so excited that most of our students will be returning for the 2022-23 school year and the almost 30 new students (so far!) who have applied as well. I will be praying for you all! This will be my last BCA Broadcast until school resumes, but I wanted to be sure to thank you for being a part of our BCA family this past year. I have been at BCA for 10 years, 7 of them as principal, and I can't remember a year with a better group of students. Your kids blessed me and the entire staff so much with their smiles, their love of Jesus, and their love of life! It was so much fun getting to see these students grow and mature over the past 9 months. You may or may not know that as a staff we faced some challenges that were beyond our control and made parts of the year difficult. Yet, our teachers and staff, parents, students, and others stepped up big to make this year a huge success. I want to thank Mrs. Lloyd and Mrs. Fender for stepping in and subbing for us full-time, and teachers and staff who worked extra when we didn't have subs. I want to thank parents who blessed the staff with so much, and especially those who prayed for any aspect of BCA this past year! As we head into summer, please continue to pray for us. We are excited about the future of Bethel Christian Academy, but definitely ask for God's favor and wisdom to guide us into next year and beyond.

Thanks and God Bless! Mr. Burnett, BCA
