## **Field Trip Guide 2019**

*\*updated 6/10/19*

**Attention Parents: Please have your child(ren) here 30 minutes before departure time on Field Trip days.** We do not allow the campers to bring money to buy anything on field trips, with the exception of swim days at Parma Hts and Pioneer Waterland. We still provide a snack on those swim days in the afternoon, but we will allow campers to buy food at the pool. (We don't allow it at Fairview Park because the snack area is not in the same area as the pool.) **On swim days we ask that girls wear modest bathing suits-either one piece or a 2 piece suit that covers the stomach.** Also, Medina Skateland field trip includes pizza and a drink for all the campers, including the ones who are not on the meal plan. If your child is not on the meal plan that day, you do not need to pack a full lunch, but you might want to pack a few extra side items. All other days, if your child is not on the meal plan, please send a packed lunch with a drink. Please also note our departure and returning times as we will be adhering to those times as much as possible. If you have questions or concerns contact Angie Kazimir at 440-567-2090 or Doug Hoover at 330-417-7560
