Bethel Christian Academy's Principal's Perspective

As we look to the upcoming week, I am so excited about Thursday night. I hope you will consider being a part of one or both portions of the evening. The Mama Bear Apologetics book is a really great resource help understand the current culture in our country and how it sometimes contrasts with a Biblical worldview. The subtitle of the book is "Empowering Your Kids to Challenge Cultural Lies." We have a few for sale in the office for \$15 or you can go to [Amazon](https://www.amazon.com). We have been going through it as a staff, and it is a great resource for parents as well. Thursday, January 19 is the first book discussion (Ch. 1-2) from 6:00-7:00. I hope you can join us. Childcare is provided.

The second part of Thursday night is just as exciting! Whether you choose to come for "Mama Bear" or not, I hope that you will bring your family and come out and worship with us from 7:00-8:00. No childcare is provided for this portion of the evening because it's a "Family Worship Night!" Mrs. Burnett will share a short devotion on worship and some of our staff will lead a time of worship together. It is a great opportunity for your kids to learn from you as they worship alongside you, and also a great opportunity for you to see your kids worship! Plus, you can check out the new chapel if you have not had the chance to do so, yet! If you have any questions about Mama Bear or Family Worship Night, or to RSVP for childcare, please contact Mrs. Burnett (nburnett@bcakids.org).

Why are we doing these things? After all, we are a school. Well, there are plenty of places (some public & other private schools included) that are doing everything they can to tell kids and parents what to believe and how to live. Why not our school? After all, we teach your kids the importance of loving God and loving others...We teach your kids every single day about our loving God who created them on purpose, for a purpose...We teach your kids that God made them exactly the way he wanted them to be. We teach your kids that God loves them exactly the way they are, and loves them so much that he sent his own Son, Jesus, to Earth to die for their sins. Why? Because that is the most important thing we can teach the next generation. Why? Because we love your kids! And we love you! We want to partner with you. We want to resource you. Not because we think you are a bad parent, but because we know parenting is hard! We know there is pressure from every side to be something different than what God has called you to be. We know how overwhelming life and parenthood can be, but know that raising kids is the most important job you will ever have!

Thanks and God Bless!
Mr. Burnett, BCA Principal

THANK YOU!!! Because of the generosity of our BCA family, we were able to take a second van load of food to a local food pantry! This one went to Parma Christian Church on Ridge Road. They serve needy local families in Parma and the surrounding communities! What a blessing you have been to our neighbors who are in need!
