Bethel Christian Academy's Principal's Perspective

Monday is Valentine's Day, and in Elementary Chapel this week, Pastor Edgar Santos of *Imagine Kids Ministry* shared a great message called "I.O.U." In it, he talked about how we owe love to everyone (Romans 13:8). The part that stuck out (and challenged me) the most was when he shared one of the most common passages there is about Love, 1 Corinthians 13:4-7. You have probably heard it: ____ is patient and kind. ____ is not jealous, ____ does not brag, and ____ is not proud. ____ is not rude, ____ is not selfish, ____ cannot be made angry easily. ____ does not remember wrongs done against it. ____ is never happy when others do wrong, but ____ is always happy with the truth. ____ never gives up on people. ____ never stops trusting, never loses hope, and never quits. Now, you probably know that the blanks are missing the word "Love." But Pastor Edgar challenged our kids to put their names in the blank and see if it would still be truthful. So, take a second and read that again with your name in the blanks. How'd you do? I know that I don't live up to the standard that God has set for us. I, for one, am thankful for God's mercy and grace, and that he is not going to give up on me. I am also thankful that he is helping me get better at loving people the way he loves them. This Valentine's season, let's all try to love God and love others the way we should! It will make us and the world a better!

Thanks and God Bless!
