Bethel Christian Academy's Principal's Perspective

We serve a good God! Sure, life on Earth is not always "good" or "fun" and it doesn't always go the way we would have planned, but despite our circumstances, God is still good! We can take solace in the fact that God is in control of everything no matter what is going on around us. He isn't surprised by disasters or illness or other things that catch us off guard. While we don't understand the reason that things happen in this fallen world, we have the hope of heaven and know that we are just passing through this place on our way to eternity with God in heaven! The Bible reminds us that our trouble are "light and momentary" and are helping us achieve "eternal glory that far outweighs them all. So we fix our eyes not on what is seen, but on what is unseen, since what is seen is temporary, but what is unseen is eternal ([2 Corinthians 4:17-18](#)). Whether you are going through the greatest season of your life right now, or whether things are looking so hopeless that you don't see how you could possibly make it through, be encouraged that God sees you. He knows what you are going through and he knows what you can handle, and he will not leave you or forsake you. Which ever one describes you better, I want to encourage you to be there for those around you. Encourage others! Pray for others! It will help them through what they are going through, and will do more for you than you realize! I know I say this a lot, but I am praying for you often! Teachers are praying for your children and your family as well. If there is ever anything we can partner with you about in prayer, [please let us know](#).

Thanks and God Bless!

BCA Basketball had their best season in quite a while! The girls team made it to the semifinals and brought home a 4th place trophy. While the boys were knocked out of the playoffs in the quarterfinals, they earned a plaque for winning their division this year. We are so proud of them all! Thank you to Mrs. Burnett & Mrs. Carrell for coaching the girl's team and Mr. Simmerman, Mr. Price, & Pastor Brandon for coaching the boy's team. Thank you to all the parents, grandparents, and family members who were also committed to the season and helped make it successful! We appreciate you!

Great Job, Eagles!
