

BCA

Bethel Christian Academy's

Principal's Perspective

Wow! There is so much happening at BCA right now and I'm sure in your lives as well. I hope you are being intentional about carving out time for your family. I wanted to take this opportunity to share some of the exciting things happening soon at BCA!

Basketball finished up tonight with our MS Girls falling short against WCA in their playoff game. We are so proud of them and all of our teams, coaches, and volunteers. A special thank you to Mrs. Burnett who has served as athletic director this year on top of coaching the MS Girls and all her other roles at BCA. Another thing that is coming up is the Mama Bear Apologetics book discussion on Monday. Don't miss it! Tuesday is the last day for the early bird discount on registration. So many of you have already completed your re-enrollment! We should surpass 100 by the end of the month! It is such a blessing to see how many of you value the Christian education your child receives enough to entrust us to teach your children again next year!

Summer Day Camp registration opens on Wednesday, and next week begins the 4th quarter! I can hardly believe it. Easter will be here in just a few weeks, which means Easter Break and also one of my favorite events that Bethel Christian Church hosts: Good Fri-Day Camp. Pastor Edgar and his team do a great job on this event each year!

As you know, our elementary chapel was not streamed today due to the video that a missionary family to a sensitive country created for our students. Our PreK/K and Elementary Chapels learned about sharing the Gospel everywhere, and while I can't share that video, Mrs. Pertz's 4th graders helped out and showed off their state capital knowledge, singing "Tour the States" by Renald Francoeur without lyrics! The audio isn't great, but you can take a look by clicking on the picture above. They did a great job!

Thanks and God Bless! Mr. Burnett

Good Fri-Day Camp is a 1-day VBS style day camp directed by Pastor Edgar and held at BCA. Click the image below for more info or to register!
