Bethel Christian Academy's Principal's Perspective

In this week's Middle School Chapel (which you can watch by clicking the link in this newsletter), I talked a lot about "Team Jesus" and what that should look like. Recently, I came across an article from Pew Research that made me sad, because they estimate that by 2070, Christianity will not longer be the largest religion in the world. Now, it is just a guess and there are a lot of factors that will determine how accurate they are, but hearing that less people will worship the one true God than a false god is disheartening.

I know that as Team Jesus, we can do better as a people. What I challenged the 5-8th graders with this week was to live differently than the world. You see, I think people look at Christians and don't see the difference that they should. We are not different enough in our attitudes, our actions, our commitment & faith, and in the way we treat others. When we don't look that different than those who do not call themselves Christians, then what is the appeal of joining Team Jesus?

Now, that is certainly not everyone who calls themselves Christians, and it is God's job to call people to him, but if we live the way God calls us to and show people how much we love God and love others, I can't help but think it makes it easier for people to accept God's call. Am I perfect? Nope! None of us are, but with God's help we can all do better!

Despite all the other factors that will contribute to the future, I know that God can do anything! Does he need us? No. But as a member of Team Jesus, I want to do everything I can to help as many people as possible join us in heaven someday!

Thanks and God Bless!

Mr. Burnett, BCA Principal

Do you have a need? We would love to pray with you! Click here and let us know how we can partner with you and your family in prayer!

January 11, 2022

Bethel Christian Academy

Students of integrity who love God and love others!

What's Happening?

◇ January 17 - No School—MLK Day

◇ February 1 - Re-Enrollment Opens!

We hope that you have decided to return to BCA next year. You can re-enroll for next school year in ParentsWeb beginning 2/1. Please, DO NOT set up a new account on our website.

Today's Chapels

Elementary: Faith with Mrs. Gailey

Middle School: A Rising Tide Lifts All the Boats with Mr. Burnett

You may have seen this on Facebook, but I am really proud of our students who worked hard to help set up for "Light the Night to Honor a Life" at the Thomas P. Perciak Family Residential Hospice in Strongsville. The annual event benefits the Dennis C. Simmerman Hospice Community Care Fund, which provides critical financial and care-related services for hospice patients and families of limited means. It's great to have students who demonstrate how to "love God and love others!"
