## Bethel Christian Academy's The Principal's Perspective

Easter is one of my favorite times of the year. It's not just because the weather is usually breaking and spring is in the air. It's not just because baseball season is underway. It's not even because it's Reese's Egg time! Of course, all of those things sweeten the deal a bit (especially the Reese's! Haha!) But the reason I love Easter so much is what it represents. I love that we as Christians are reminded about God's love for us. We are reminded of the sacrifice that was made on the cross over 2,000 years ago. It still blows me away sometimes when I think that someone (let alone God) would die for me! It's unfathomable that someone would sacrifice their son in my place. It's truly a love that my feeble human mind struggles to comprehend! But THAT is the love that God has for me...and for you.

I talked in the PreK/K chapel and to close out the others about Christmas. It sometimes gets overlooked the connection between the baby born in the manger at Christmas and the man who surrendered his life on the cross to set up that first "Resurrection Sunday!" Without Christmas there is no Easter, and without Easter there is no Hope! Because without Easter, there is no forgiveness of our sins, which means no heaven. I am beyond grateful that God made a plan so that I, and you, can take advantage of the free gift of his mercy and grace because I am far from perfect, and I'd be willing to bet you are, too!

I hope that you have an incredible Easter. If you don't have a church that you attend, stop in and see me Sunday at 10:30 here at Bethel. I will be praying for you and your families. Have a great break. See you when we return to school on Monday, April 17 (if not before.)
