## Bethel Christian Academy's Principal's Perspective

As I sit here on this quiet Saturday morning (because there was just too much going on yesterday to finish this week's Broadcast) I am thinking about the elections coming up. You may have already voted, or you may be waiting for election day like I am. (Don't forget! There is **NO SCHOOL Tuesday because BCA is a polling place!**) There are a lot of important issues that will affect your children hinging on the results of these mid-term elections. There is a lot at stake. I hope you are paying attention to what is going on in the world, and the agendas that many politicians and others have that very much go against the biblical worldview that we have as Christians.

Now, it would not be appropriate for me to promote a certain candidate or even party, but I do want to encourage you to do research before you cast a vote this week. One positive thing about the internet is that you can find just about anything about a candidate, from his/her voting record to platform to, in some cases, social media posts! There is no hiding beliefs and agendas in this day and age. But regardless of whether you choose to vote or not, please be praying for our state and our country. We know that God's hand is on us and he already knows the final vote count of everything in this election and beyond, but we still need to pray. Pray for this election, then pray for those elected to have the wisdom & courage to make right choices now and in the future. Prayer matters. The Bible tells us that we should "pray continually" in [1 Thess. 5:17](#) and no matter what happens, to be thankful and full of joy. That is how God wants us to live.

Whatever the results on Tuesday, Bethel Christian Academy will continue to share the Truth of God's Word with our students and families, and we will be praying continually for you.

Thanks and God Bless!

Mr. Burnett, BCA Principal

## Today's Chapels

On Friday, I shared similar messages in elementary and middle school chapel. I talked about facts vs. opinions (facts vs. feels in MS). The message focused on the differences and the importance of knowing God's Truth and what the Bible says about important issues. Most importantly, that God created us, loves us, has a plan for us, and that Jesus died for us so that we can join him in heaven someday. Unfortunately, we were unable to stream or even record them to upload later.

We pulled some chairs in for our last pre-renovation chapel in the sanctuary. We are working out the logistics of chapels in the gym through sometime in January. Hopefully, we will be able to stream chapels again from the gym.

## REMINDER to PARENTS

For everyone's safety, all vehicles must enter in the east drive (near the green fence) and exit via the west drive (at the stop light). Please make sure that anyone who drops off or picks up your child is aware, and always drive slowly and carefully!
