

BCA

Bethel Christian Academy's Principal's Perspective

It truly was a great first week! So much excitement! So much energy! I loved getting to know all of the new students who joined our BCA family this school year and catching up with our returning students as well! I am still learning names, but will get them soon! We have felt the support from all of our families this week. I personally appreciate the way drop off and pick up has gone. I haven't seen anyone driving like a maniac or coming in or going out the wrong direction! Trust me, that's pretty great! We are planning to replace the cones with painted lines next week, so watch for that.

We had two great chapels today! You can watch the chapels on our [YouTube Channel](#). In both chapels, we focused on the verse for this year, [Psalm 37:28](#), and learned that God delights in every single detail of our lives! We have a very diverse group of students and staff, and it's so cool to think that each detail of each one of us was planned out for us ahead of time and God is happy with the end result! Your son or daughter will probably hear that from me and their teacher about a thousand times this year because it's the truth and so important to understand.

This newsletter will go out weekly with some thoughts from me, helpful information, and other things I feel are important for families to know. Thank you for taking the time to read it. Normally, Tuesday's devotional video will be up top, but since we start that next week, I included the First Day Info video from earlier this week in case you missed it. Just a reminder that everything that is underlined in [the Broadcast](#) (and most pictures) link to something! Let me know if you need anything or have any questions. Have a great weekend!

Thanks and God Bless!
Mr. Burnett, BCA Principal

BROADCAST

- August 26, 2022 -

Did You Miss This?

Click below to watch this video!

What's Coming Up?

- ◇ September 5 - NO SCHOOL (Labor Day)
- ◇ September 7-9 - MS Camp
- ◇ September 23 - Progress Reports
- ◇ September 29 - Picture Day

Is your family on our "Faces of BCA" bulletin board? If not, email jburnett@bcakids.org a picture of your family! Students love seeing their picture there, and our church members love seeing the faces of the students they are praying for! Returning families, feel free to send me an updated pic if you would like.

If you do not follow BCA on Social Media, you are missing out!

Links and info were included in the email "Orientation Info, Calendar, and Handbook" on August 22. Look in the New Student Orientation attachment.

Raising Students of Integrity Who Love God and Love Others
