## Bethel Christian Academy's Principal's Perspective

This week, I felt strongly that God wanted me to talk about his love in our school-wide devotion (click to the right to watch it). I am continually blown away by how much God loves me! At BCA, as important as "academic excellence" is to us, it is just as important that our students understand how much God loves them, because that has eternal significance! We not only talk often integrity and loving others, but the reasons why we want to have integrity and why we love others. The bottom line is, without a true understanding of God's love and a commitment to love God in return, it is not reasonable to expect students to act with integrity and love. They may do it at times in order to please their parents or teachers, or to avoid getting in trouble, but there will not be a true heart change that will help them to own it and live by it every day!

I pray continually that your child(ren) will feel God's love and commit to living for God, and I am praying the same for you and our entire BCA family.

Thanks and God Bless!  
Mr. Burnett, BCA Principal

You would not believe how many things we have accumulated in our lost and found. If your child is missing a coat, sweater, shirt, hat, lunch box, water bottle, or anything else, we may have found it! Please let us know if you are missing items, and PLEASE put your child's names on EVERYTHING!

## BCA EAGLE RUN

Virtual 5K Run/Walk

Registration is open October 5 - October 31, 2021  
All registrants will receive a t-shirt and finisher medal.
